Travel Safer at Night

Campus life doesn't clock out just because the sun goes down! Whether you're studying or hanging out with friends, these resources aim to make your journey safer.

Sure Walk

Sure Walk is here to make your night a little brighter and a lot safer, currently running 7 days a week from 7 p.m. (8 p.m. during Daylight Saving Time) to 2 a.m. You can request a Sure Walk to get home or to your campus destination. Sure Walkers may accompany you on your walk or provide a complimentary cart or car ride, depending on the service area.

Courtesy Stop Program

The Courtesy Stop Program is here to make your ride even safer. After 9 p.m., you can request a drop-off anywhere between regular stops on UT Shuttle, CapMetro Bus, and CapMetro Rapid routes. It's a great way to get closer to your destination at safe, well-lit spots.

CapMetro Night Owl Routes

CapMetro Night Owl Routes are your ticket to late-night fun! Operating from midnight to 3 a.m. Monday through Saturday, these buses cruise between vibrant spots on 6th Street and local neighborhoods every 20 to 30 minutes. And guess what? Students ride free with their UT ID!

Class N and N+ Permits

Class N and N+ Permits offer flexible parking in the evenings, giving you access to plenty of spaces near campus buildings. This enhances your safety by reducing long walks and keeping you near well-lit areas. These permits are valid for street and surface lot parking in spaces that open up to "Any UT Permit" weekdays 5:45 p.m.-7:30 a.m. For added convenience, N+ permits also allow parking in most garages across campus weekdays 5 p.m.-4 a.m.
