PARKING AT UT

Located in the center of the city, The University of Texas at Austin campus is often congested, making commuting and parking difficult. Understanding your parking and transportation options and regulations will make campus access easier and promote safety.

PARKING PERMITS

A permit is required to park on campus **at all times** (unless the vehicle is parked in a university garage paying the hourly rate). Purchase of a permit does not guarantee a parking space on campus. A parking permit signifies that an individual has been granted the privilege of parking a motor vehicle on university property. Only vehicles properly displaying a university faculty/staff permit and/or those with permission from the kiosk guard may pass the main campus traffic control kiosks Monday through Friday (M-F) from 7:30 am to 3:30 pm.

Permits may **not** be loaned to other persons. Permit holders are responsible for parking citations issued to any vehicles bearing their permit regardless of vehicle ownership. Lost or stolen permits and garage access cards must be reported to PTS immediately and may be replaced for a fee. Lots and/or garages are subject to closure during athletic or other special events for which vehicles may be subject to periodic relocations. PTS makes every effort

to notify all permit holders of special events that affect parking (see Special Events Calendar on PTS website).

STUDENTS WITH DISABILITIES

Parking in a convenience space between 7:30 am and 5:45 pm Monday-Friday requires display of a valid state-issued ADA placard or license plate (permanent or temporary) along with a valid UT permit (excludes N, N+, and M permits). After 5:45 pm and on weekends, only the state-issued placard or license plate will be required.

Most students with disabilities should purchase a student C Permit to display in conjunction with a state-issued ADA placard or license plate.

For more information on how to obtain state-issued ADA credentials, including temporary, see the [Texas Department of Motor Vehicles](#).

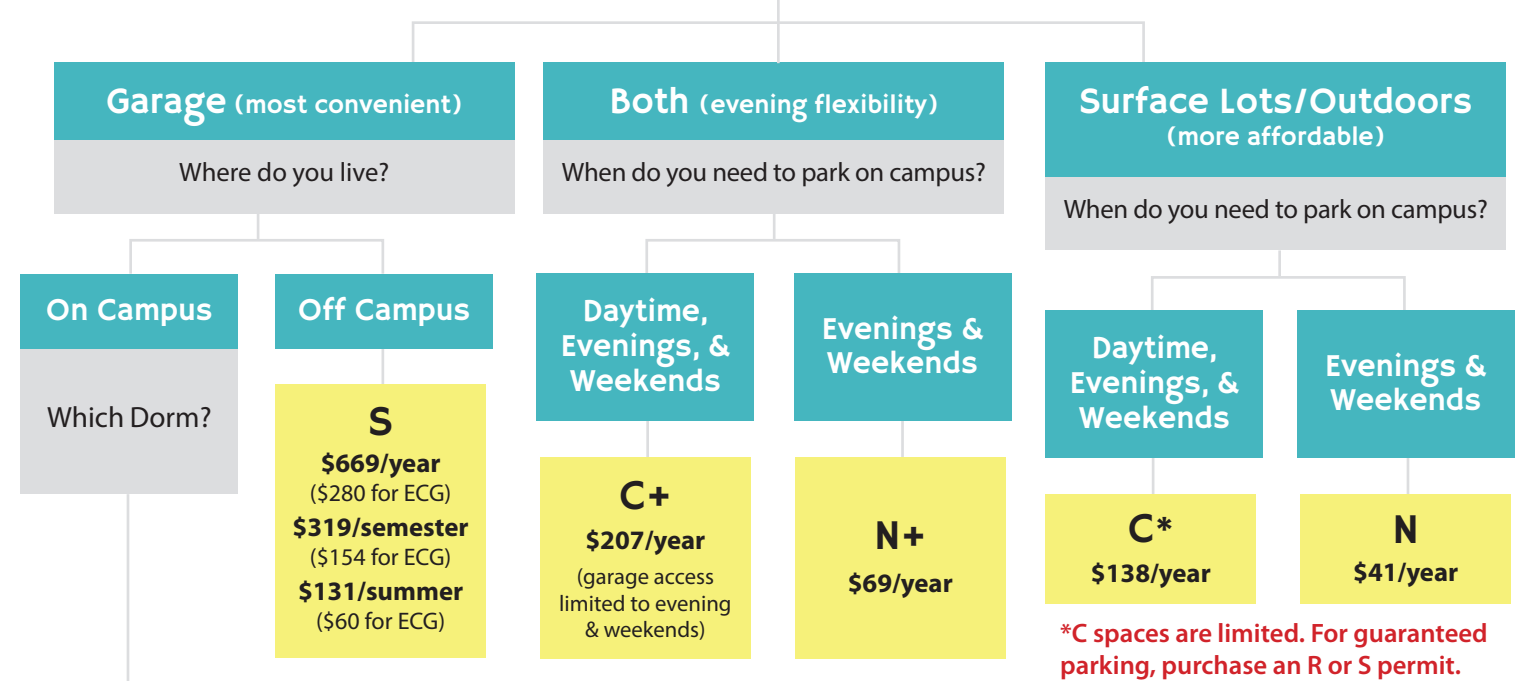

LONGHORN AUTO ASSISTANCE PROGRAM

LAAP is free program operated by PTS providing vehicle jump-start and key assist to patrons in any main campus or PRC parking area. Call UTPD at 512-471-4441 to have the PTS LAAP vehicle render assistance 24/7.

R-S WAITLIST

PTS allows only two active R or S permit waitlist selections for garages. If the garage you are interested in shows that it is waitlisted, enter the waitlist online through My Parking Profile. Due to high demand, the wait is typically a minimum of three months and possibly longer. Your name will remain on the list until open sales for the next semester.

R PERMIT LOTTERY

Annual or fall R permits are distributed through a random selection process and may be purchased for nine months or one semester. Permits purchased for the fall semester have a Web renewal option for the spring semester. All permits have renewal options for the summer. No R permits are renewed for the fall. For more information or to enter the R permit lottery, visit www.parking.utexas.edu.

OTHER PERMIT OPTIONS

M Permit	\$83/year for motorcycles
B Permit	free for bikes

All permits can be purchased online through My Parking Profile

GREEN ON THE GO

UT Shuttles & Cap Metro

UT Shuttle System and Capital Metro Mainline Services are free of charge to UT faculty and staff with a valid UT ID card. There are 10 shuttle routes that directly serve the UT campus and popular off-campus student housing areas. Three of the shuttle routes circulate campus including Forty Acres (FA), West Campus (WC), and East Campus (EC), which transports riders between east campus Longhorn Lots and central campus. UT Shuttle routes, schedules, and other pertinent information may be accessed on the PTS website at www.parking.utexas.edu. Capital Metro route and schedule information is available at 512-474-1200 or www.capmetro.org.

E - Bus

E-Bus (Route 410, 411, or 412) is ideal for a safe late-night ride downtown. Just catch it at locations in west campus, main campus, or Riverside on Thursday through Sunday evenings (8:30 pm–3:30 am) during the academic year.

Airport Flyers

Airport Flyer takes you to and from Austin-Bergstrom airport and campus. Catch it (Route 100) at one of three campus locations with daily service approximately every 35 minutes. Faculty & staff ride free with their UT ID.

Carpools

Carpools are defined as two or more UT faculty/staff members or students riding to campus in the same vehicle. Carpools registered with PTS receive the following benefits: the permit cost is reduced by \$50 for each registered carpool rider (excluding the driver) up to the cost of the permit after being enrolled in the

program for 6 months; each carpool member receives a UT Share Pass (garage debit card) with up to 16 free garage entries; the carpool has access to both spaces indicated by the permit type and reserved carpool spaces (see map on pages 04-05) and all carpoolers are automatically enrolled in the Guaranteed Ride Home Program that provides mass transit or taxi in the event of an emergency.

Vanpools

Vanpools consists of five or more UT faculty, staff, or students sharing the ride to campus in a van provided by vRide. Vanpools park in preferred parking spaces on campus. For more information, visit www.capmetro.org or call [512-477-RIDE \(7433\)](http://512-477-RIDE).

Walking

Walking is the easiest way to access campus and surrounding areas — no permit required! Pedestrians must obey all traffic control devices. They have the right-of-way at marked crosswalks, in intersections and on sidewalks extending across a service drive, building entrance, or driveway. They may also cross an intersection diagonally where permitted by special pavement markings.

SURE Walk

Between 8:30pm and 2am, students and staff can request an escorted walk to campus (and surrounding) destinations. Call SUREWALK at 512-232-9255 or email orderasurewalk@gmail.com.

SURE Ride

SURE Ride provides FREE Lyft's away from main campus to your home 7 days a week from 11pm to 4am. Find out more at www.parking.utexas.edu/sure.

Bicycle

Bicycles parked on campus must be registered with PTS. Registration increases the chances that a bike can be returned if stolen or impounded. It is free of charge, available online at www.parking.utexas.edu through My Parking Profile, or in person at The Kickstand or at any staffed garage office. Unregistered bicycles and those affixed to sign posts, handrails, or other UT property are subject to impoundment, immobilization, and/or citations. For added bicycle security and protection, bicycle lockers are available for rent at a rate of \$60 per year (pro-rated monthly) with a \$50 refundable deposit and are located in university garages throughout campus. Call 512-471-5891 or email bicycle@utexas.edu for details.

The Kickstand

The Kickstand is the university bike hub. Located at the RLM Courtyard, it is a one-stop shop for all biking needs. Here, cyclists can buy helmets, locks, lights, tubes, patch kits, or other biking supplies; rent locks; use air pumps or other tools. Operating hours are online at www.parking.utexas.edu/bike/kickstand.html.

PARKING IOI

Avoiding the most common citations

Citations written on this campus protect the spaces that faculty, staff, and students have paid to use. The most common citation issued on campus is for parking in a space without the proper permit. To easily avoid citations, pay daily garage fees or purchase a permit and park where your permit allows. Also, read your e-mails and look for signs that announce changes in your parking lot or garage.

Parking within the lines

Your car should be entirely within the lines that define your space. If you are parked over the line, you may receive a citation. In some parking garages, a double line is used between spaces to help prevent door dings. Each space is defined by the interior lines, creating a buffer between vehicles.

Loading and Unloading

If you need quick access to buildings around campus to load or unload something, there are a few options.

Loading Zones:

You can park in any Loading Zone (LZ) space throughout campus for up to 30 minutes with your emergency lights flashing.

Meters:

You can park at meters, which are located throughout campus with time limited to 2 hours during the day at a rate of \$1 per 15 minutes. After hours and on weekends it is \$1 per hour.

Garages:

There are eleven garages throughout campus, all of which provide up to 30 minutes of parking at no charge.

Backing into spaces

When parking in angled spaces, you should not back into them if it puts your car in a direction facing opposite to the flow of traffic in the nearest lane.

Theft Prevention

According to UTPD, property theft is the most common crime on campus. To prevent crime, do not leave your belongings in view when you park your car and be sure to roll up all windows and lock all doors.

Sign Zones

To avoid littering the campus with thousands of parking signs, most spaces on campus do not have a sign for that specific space. Typically, signs indicate an area or zone for which the restrictions of that sign apply. The areas may be denoted by signs posted at lot entrances, which means the restrictions on the sign apply to all unsigned spaces in the lot. Another area indicator are the signs you may see on ramps and different levels of a parking garage, specifying which floors resident student ("R") permit holders may park. Finally, the most common signs have arrows pointing to the areas for which the sign restrictions apply.
